SPECIAL ADVERTISING FEATURE

## New displays and old favourites!

The Sydney 4WD and Adventure Show is coming up this September at Sydney Dragway, Eastern Creek.

The Sydney 4WD and Adventure Show is the major 4WDing event for NSW and is part of a national group that covers similar events in Perth and Adelaide.

Show Director Peter Woods said the Sydney 4WD and Adventure Show is the one-stop place for visitors to see and purchase a variety of products and services relating to the outdoor leisure industry.

He said the Show featured all the big brands in caravans, camper trailers and motorhomes, new 4WDs and SUVs, camping and 4WD accessories, fishing gear and more.

He said the event is an also interactive experience that equips visitors with the gear, the advice, and the inspiration to get out there and explore.

"This is the big outdoor show for NSW and is held at the awesome Sydney Dragway in Eastern Creek. The venue is perfect for a Show like this as we can offer free parking, and plenty of room

for displays and attractions," he said.

"The Show has been steadily growing for the past couple of years, and in 2024 we will have a record number of exhibitors and will be introducing new entertainment and attractions for visitors to get involved in!"

The 4WD and Adventure Show is designed as an

interactive event where visitors can get equipped with knowledge and skills for their own adventures - as well as having a bit of fun! In 2024, the Show will bring back favourite attractions as well as introducing new activations.

The Sydney 4WD and Adventure Show is held at Sydney Dragway, Eastern Creek, and offers free parking onsite. The Show is on Friday, September 6 from 9am-5pm, Saturday, September 7 9am-5pm and Sunday, September 8 9am-4pm. Tickets are \$22 for adults, \$12 for children, \$18 concession and \$55 for families. 2-day and 3-day passes are also available. Tickets can be purchased online or at the gate.

We are a family run and operated Smash Repair business found at the foot of the Blue Mountains. 2 years ago, we decided to embark a new journey with a range of **LINE-X Protective Coatings.**

We are an Australian Approved Applicator for the product. This is our first 4WD show and we are so excited to display the product, meet new people and have fun.

**WHAT IS LINE-X?**

LINE-X is a polyurea protective coating that can be used for many aspects. Whilst it is known for having a rich heritage in automotive applications it can extend further than that. The product has extreme features. It is flame retardant, UV Stable, and can handle high impact and abrasion. It has a high chemical resistance as well as a waterproof membrane.

**WHAT CAN YOU LINE-X?**

Whether the polyurea coating is applied to wood, metal, fiberglass, concrete or plastic it will protect the item keeping it strong and reliable. The product is often applied to tubs, trays, vans, 4x4 accessories, chest freezers, & furniture but it does not stop there. From mining equipment, boats, caravans, security protection, heavy machinery and much more, We can LINE-X to your needs.
