

PENRITH CITY LOCAL BUSINESS AWARDS

Hollywood has the Oscars and the music industry has the Grammys – but for Penrith City businesses, the annual night of nights is Wednesday, September 11 2024.

That's the date of the highly anticipated 2024 Penrith City Local Business Awards.

"It's a glittering event that gives finalists a chance to dress up and take a break so they can enjoy an evening out with entertainment, good food, relaxed chat and celebration with their colleagues and people from other businesses from around the district," said Precedent Productions

Managing Director, Steve Loe.

The Western Weekender today presents a special feature honouring and naming all the finalists.

"This is a chance for customers and clients to see if the businesses they nominated have become finalists," Loe said.

"It's with great pleasure that I congratulate all the finalists on their achievements, on behalf of the Penrith City Local Business Awards.

"I would also like to thank the Penrith City community for the huge support

Penrith Jewellery Workshop was a winner last year.

that they continue to show for their local businesses through the Awards every year. Without them, these outstanding businesses wouldn't receive the recognition they deserve."

BODIES BY BONNIE

2024 FINALIST BEAUTY SERVICES

Bodies By Bonnie is my home non-surgical body contouring salon, located in Berkshire Park. After having to put a pause with booking in clients due to covid in 2020 - 2021, the last 24 months has been so rewarding with giving clients the results that they are wanting with their body and making them feel better about themselves.

Non-Invasive body contouring treatments have gained popularity as effective methods to reduce unwanted fat, tighten skin and improve body contours without the need for surgery.

These treatments typically involve less downtime, lower risk, and a quicker return to normal activities compared to surgical procedures.

2024 FINALIST NEW BUSINESS

Growing up in Penrith, I started my 20-year career in dentistry, advancing from a dental assistant to management roles with top Australian cosmetic dentists in the City and Eastern Suburbs.

After becoming a single mum, I saw an opportunity to pivot and follow my passion. In 2023, I launched my own tanning and skincare range, working closely with a Melbourne lab to develop a formula I adored, leading to the creation of Nalani HQ - an Australian-made, cruelty-free tanning solution with organic ingredients.

Being nominated and a Finalist in the Local Business Awards is a great honour, and my daughter's support has been my driving force.
