NEW VIBES, NEW LOOK...

Time to check out the IRONBARK TERRACE

If you've been looking for a great local venue to enjoy, step outside into the Ironbark Terrace at St Marys Rugby League Club for a whole new experience!

You'll be met with a brand-new level of comfort and style, awash with greenery suspended from the ultra-cool wrought iron wheels scattered across the high timber ceilings and gorgeous hanging pot plants at every turn. New high tables are perfect for sharing a drink or pizza, or if it's more your style, chill out on one of the colourful, deep cushion sofas - just the ticket for a lazy afternoon or a much needed night out with friends & family and if you're a footy fan all games are shown live on the mega TV wall.

The awesome staff at the Ironbark Terrace make the experience even better, passionately inventing new cocktails to add to the extensive and decidedly delicious cocktail list - and with cocktails from just \$13, why wouldn't you want to indulge?!

If it's dinner you're after, or a casual weekend lunch, the Ironbark Pizzeria serves up the true taste of Italy with a range of mouthwatering, authentic wood-fired traditional and gourmet pizzas. Paired with a cool craft beer or sneaky wine and you're set. If your Thursday's have been a little ho-hum for the last few months, Ironbark's interactive Trivia is back! It's free to play every Thursday night from 7pm with prizes and vouchers to be won, and \$10 cocktail specials!

The Ironbark Terrace & Pizzeria is open from 5pm - 10pm every Wednesday to Friday, 12pm - 10pm every Saturday and 12pm - 9pm every Sunday. Check it out! You're gonna love it!
