Alpha Hotels & Resorts is Australia's newest privately-owned Hotel Manager and Hotel Owner offering quality places to stay, meet and dine in convenient city, urban and coastal locations.

We are intent on growing a significant Australian footprint of upper midscale hotels, resorts, and apartments covering the major Capital Cities, key urban centres, and popular leisure destinations.

Alpha Hotels & Resorts made its entrance into the market at the start of 2014, opening Alpha Canberra in Tuggerangong in February, followed by Alpha Hotel Eastern Creek in March.

Alpha Hotels & Resorts also owns and operates the Alpha Mosaic Hotel Brisbane and the management letting rights for the 213 residential apartments. The hotel opened in June 2014 and sets the benchmark for a new-build Alpha property.

Alpha Hotels & Resorts has now opened its fourth and largest hotel so far, with the rebranding of the 180 room Australis Sovereign Hotel. The twin tower property, located on Ferny Avenue on the northern end of Surfers Paradise, opened as Alpha Sovereign Hotel Gold Coast on 4 December 2015.
